

DisabledGear.com

disability equipment, for less

the **FREE-Ads website**
for 2nd hand disability equipment

FREE. Clear. Totally User Friendly.

Potential buyers & sellers include:

- amputees / paraplegics who have done the rehab and now want to get out and buy specialist sporting equipment
- the frail and elderly who need gadgets to stay independent
- disabled / mobility restricted who want better kit but need a cheaper option
- stroke sufferers
- occupational therapists, physiotherapists and health workers acquiring or disposing of kit for clients
- organisations and public institutions wanting to make their business or premises more accessible
- temporary injuries (e.g. broken leg) people don't want to pay for new kit for a short period
- anyone clearing the home of an elderly relative
